Чому якісний консорціум вирішує успіх заявки

До 50% успіху
залежить від партнерів

Правильні партнери
підсилюють ідею
проекту

Експертиза +
ресурси +
географія +
вплив

Слабкий
консорціум
знижує шанси
навіть хорошої
ідеї

Основні етапи пошуку партнерів

- Визначити мету участі
- Знайти релевантні організації
- Підготувати партнерську пропозицію
- Провести переговори
- Узгодити ролі та бюджет
- Побудувати довгострокові відносини

Перед початком пошуку

- Ключові компетенції організації
- Тематики, в яких маєте досвід
- Вашу роль у майбутньому проєкті
- Експертів команди
- Попередні проєкти
- Інфраструктуру / обладнання
- Міжнародні контакти

Де шукати партнерів

Зовнішні ресурси:

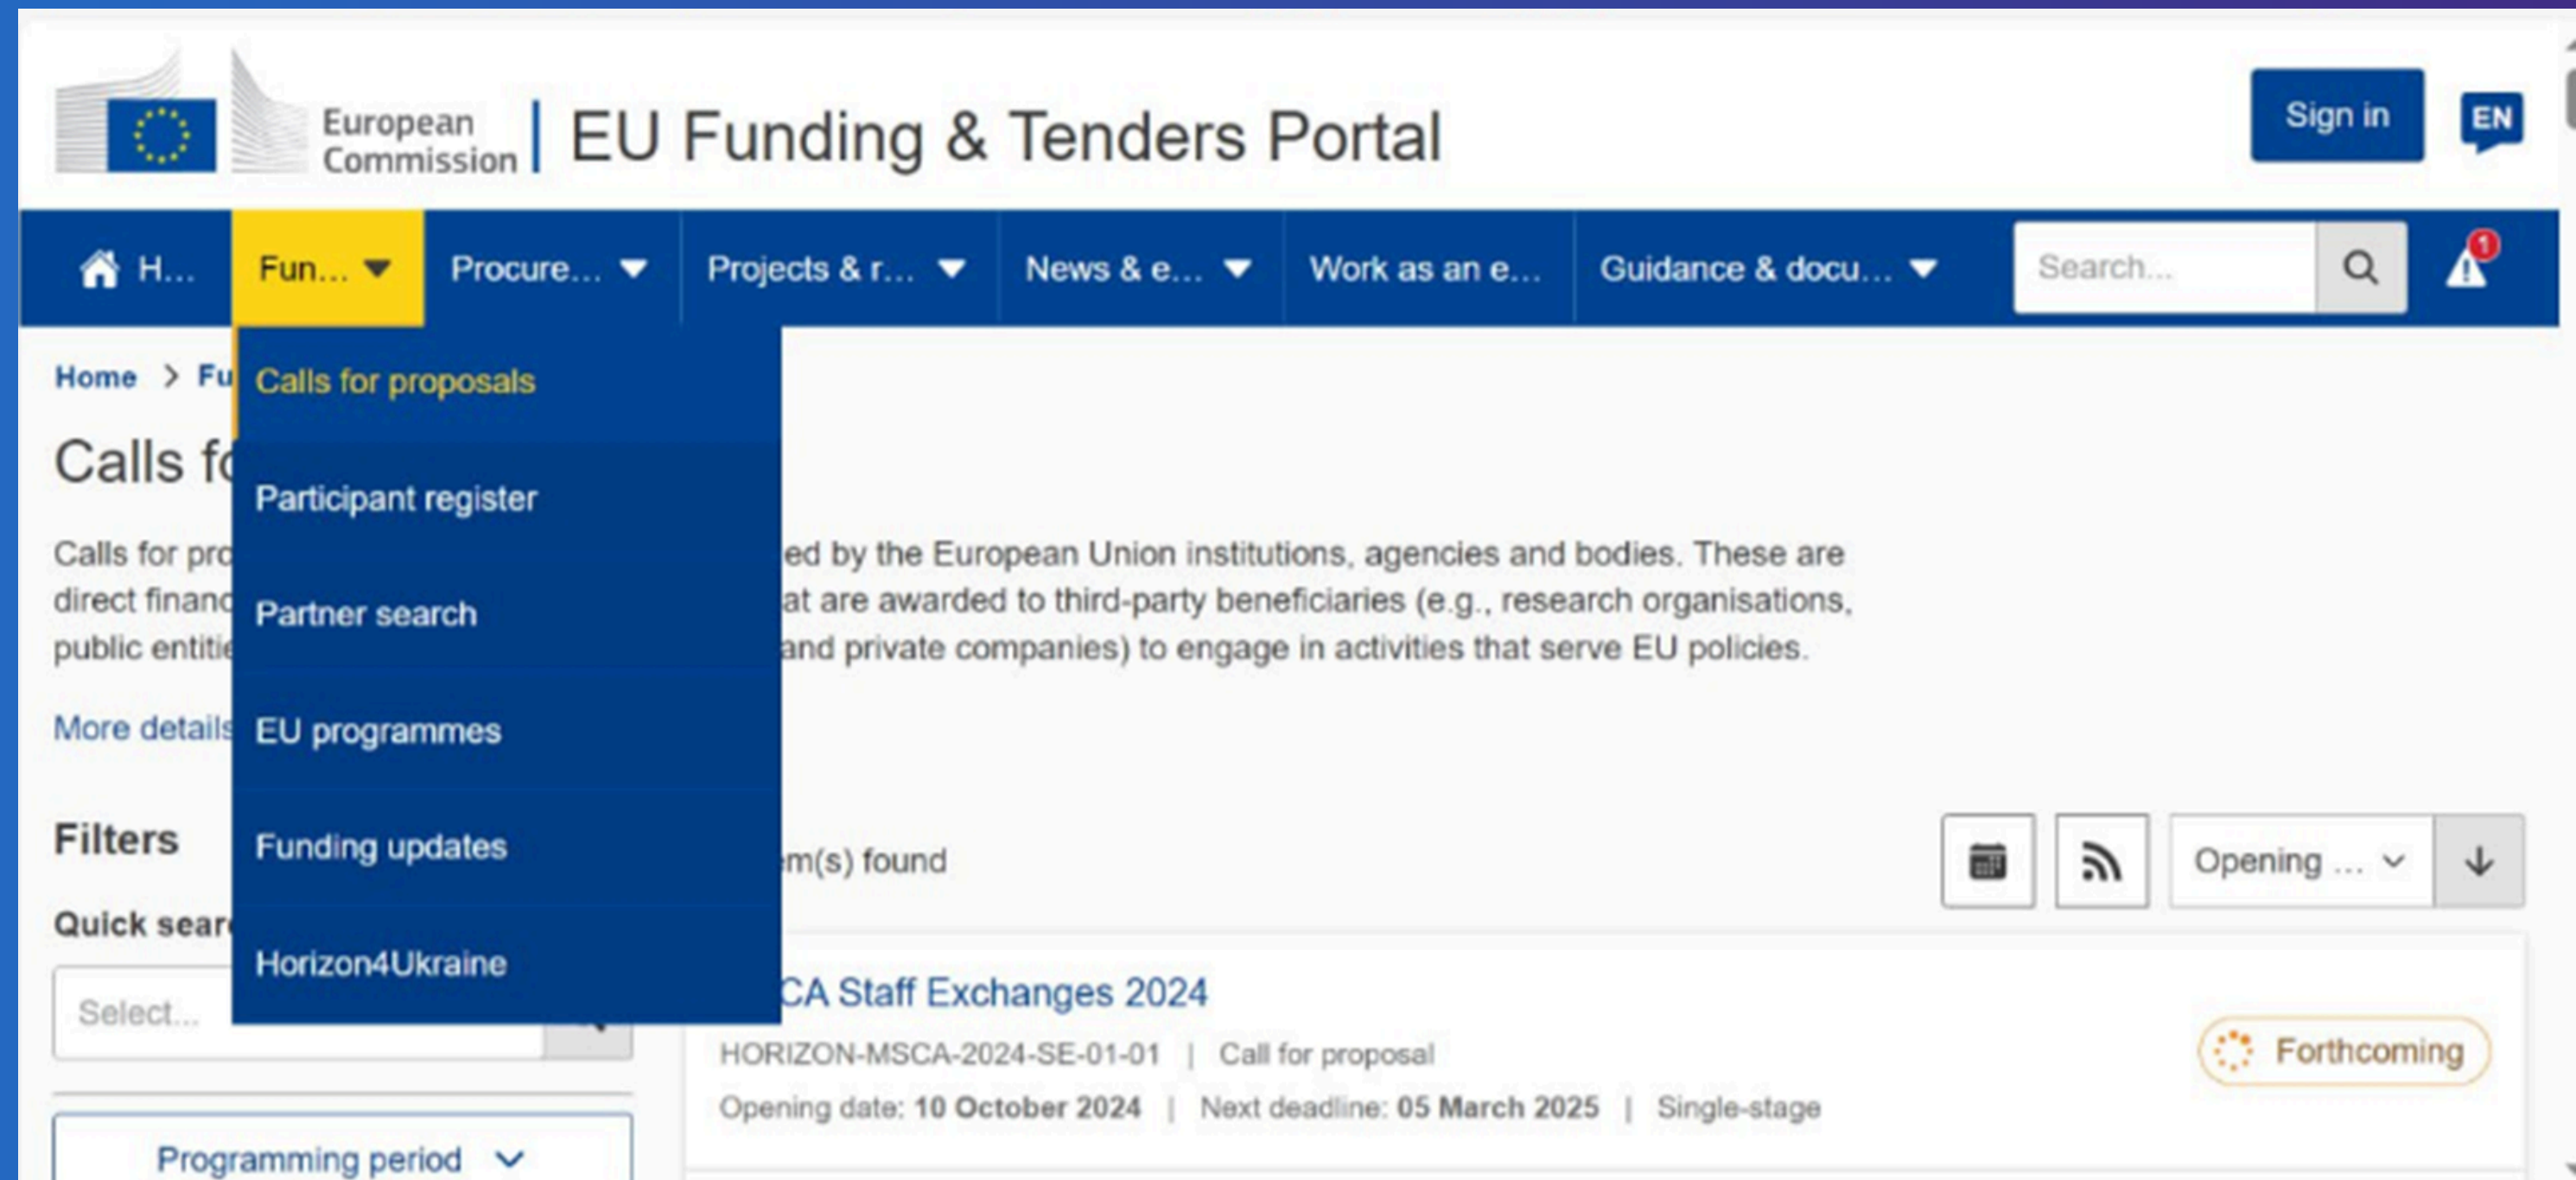

- Funding & Tenders Portal
- CORDIS
- LinkedIn
- Ideal-ist
- Brokerage Events
- конференції
- Google Search

Внутрішні ресурси:

- існуючі контакти
- попередні партнери
- університетські мережі
- меморандуми та угоди

Як шукати партнерів через F&T

Крок 1

The screenshot displays the EU Funding & Tenders Portal website. The header includes the European Commission logo and the text "EU Funding & Tenders Portal". A navigation bar contains several menu items: Home, Fun..., Procure..., Projects & r..., News & e..., Work as an e..., and Guidance & docu... A search bar is located on the right side of the navigation bar. The "Fun..." menu is open, showing a list of options: Calls for proposals, Participant register, Partner search, EU programmes, Funding updates, and Horizon4Ukraine. The "Partner search" option is highlighted. Below the navigation bar, the main content area shows a description of EU funding and a list of search results. The first result is "HORIZON-MSCA-2024-SE-01-01 | Call for proposal" with an opening date of 10 October 2024 and a next deadline of 05 March 2025. A "Forthcoming" badge is visible next to the result.

Крок 2

The screenshot displays the EU Funding & Tenders Portal interface. At the top left is the European Commission logo. The main header reads "EU Funding & Tenders Portal". On the right, there is a "Sign in" button and a language selector set to "EN". Below the header is a navigation bar with menu items: Home, Funding, Procurement, Projects & results, News & events, Work as an employer, and Guidance & documents. A search bar and a notification icon with a red "1" are also present.

The main content area features the title "CCU for the production of fuels" and the reference number "HORIZON-CL5-2024-D3-02-11". A "Topic" tag indicates it is a "Call for proposal".

Internal navigation

- Partner search announcements

General Information

Programme
Horizon Europe Framework Programme (HORIZON)

Call
Sustainable, secure and competitive energy supply (HORIZON-CL5-2024-D3-02)

Type of action
HORIZON-IA HORIZON Innovation

Type of MGA
HORIZON Lump Sum Grant

Budget overview (button)

Forthcoming (status tag)

Крок 3

The screenshot displays the top navigation bar of the EU Funding & Tenders Portal. The header includes the European Commission logo and the text 'EU Funding & Tenders Portal'. On the right, there is a 'Sign in' button and a language selector set to 'EN'. Below the header is a dark blue navigation bar with menu items: Home, Funding, Procurement, Projects & results, News & events, Work as an expert, and Guidance & documents. A search bar and a notification icon with a red '1' are also present.

Below the navigation bar, there is a 'Show more' link. The main content area features a section titled 'Partner search announcements' with a large number '58' indicating the count of searches. Below this, there is a 'View / Edit' button and a paragraph of text: 'LEARs, Account Administrators or self-registrants can publish partner requests for open and forthcoming topics after logging into this Portal, as well as any user having an active public Person profile.'

At the bottom of the visible content, there is a section titled 'Start submission'.

Крок 4

The screenshot displays the EU Funding & Tenders Portal interface. At the top, the European Commission logo and the portal name are visible. The user profile for Tetiana Popova is shown in the top right corner. The main navigation bar includes links for Home, Funding, Procurement, Projects & News, Work as an, and Guidance & do. A search bar is located on the right side of the navigation bar. The left sidebar contains a menu with sections: MY PERSON PROFILE, MY ORGANISATION(S), GRANTS (with a sub-item My Project(s)), PROCUREMENT (with sub-items My Contract(s) and My CFT Subscriptions(s)), and MY FORMAL NOTIFICATION(S). The main content area shows a breadcrumb trail: Home > Funding > Calls for proposals > EU-Ukraine Cluster Partnership Programme > Partner search announcements for the topic. The title of the page is 'Partner search announcements for the topic', with an '+ Add' button to its right. Below the title, there are tabs for 'Published' and 'Withdrawn'. A search box contains the text 'Search by name, description...'. To its right is a dropdown menu set to 'Expertise request, Ex...' and a 'Search' button. Below the search box, it indicates '0 item(s) found' and provides a 'Sort by' dropdown menu. At the bottom of the search results area, there is a warning icon and the message: 'Sorry! No data found for the search criteria(s)'. The left sidebar also displays 'Topic information' for the selected topic: 'EU-Ukraine Cluster Partnership Programme' with ID 'SMP-COSME-2024-CLUSTERUA-01'. It shows 'Expertise offers: 0' and 'Expertise requests: 0'.

Крок 5

The screenshot shows the 'Publish Partner search' form on the EU Funding & Tenders Portal. The form is divided into several sections:

- Topic information:** ID: EU-Ukraine Cluster Partnership Programme; Topic: SMP-COSME-2024-CLUSTERUA-01; [Open for submission](#)
- Organisation / Person *:** A dropdown menu with the text 'Select an organisation or person...' and a button labeled 'Organisation'.
- Organisation type *:** A field with the text 'PIC *' and a button labeled 'Ukraine' with the Ukrainian flag icon.
- Type of expertise *:** Two radio button options: 'Expertise request' (selected) and 'Expertise offer'.
- Short description *:** A text area with the placeholder text 'Describe in short what type of partners you are looking for (This text will appear in the public tables of requests below your request entry)'. A character count '0/300' is visible in the top right corner of the text area.

A blue arrow points to the 'Expertise request' radio button. A 'Publish' button is located at the bottom right of the form.

Формула першого листа

Хто ви

Опишіть одним абзацем інформацію про Вашу робочу групу, або організацію. Про спеціалізацію Вашої робочої групи

Який кол

Надайте посилання на кол та коротко опишіть інформацію про нього, вказуючи інфо про бюджет та дедлайни проекту

Чому саме вони

Опишіть ваше бачення цієї організації у Вашому консорціумі та поясніть у ролі кого Ви бачите цю організацію (виконавці, пром майданчик, координатори, тех експертиза, тощо)

Що цінують координатори

Експертиза

Описуйте Ваші можливості чітко відповідно до вимог колу

Досвід

Згадайте релевантний досвід, який може бути практичним до тематики проекту

Швидкість

Листування має бути вчасним, не затягуйте з відповідями, адже час по підготовці аплікаційної заявки є обмеженим

Надійність

Плануйте з партнерами тільки те, що по силам виконати з існуючим досвідом та матеріалами

Типові ПОМИЛКИ

Шаблонні листи

Лист не має спеціалізованої
направленості

Пасивність

Затягування з відповідями,
відсутність ініціативи

Немає ролі

Ви не визначились зі своєю роллю та не розумієте
ролі вашого потенційного партнера

Запізнення

Запізнілі звернення з
пропозиціями до партнерств, не у
відповідності з дедлайнами колу

Профіль організації

PIC

IVANO-FRANKIVSK NATIONAL TECHNICAL
UNIVERSITY OF OIL AND GAS

Who we are

We are leading Ukrainian technical University and the only University in oil and gas specialization (founded in 1967) placed in Ivano-Frankivsk (West Ukraine). The IFNTUOG offers education at three levels (Bachelor, Master, PhD). The university provide international studies opportunities with double degree programs together with London South Bank University. Number of our students is 6500 with 1196 academic staff. Being a well-known University, the IFNTUOG is also a globally recognized oil and gas research centre, who has own scientific testing ground (5 boreholes). In 2019, we formed Laboratory in Oil and Gas engineering for practical, professional training of specialists. In addition, there is Center of Joint Usage "Eco-techno safety of the Carpathians" on the balance of university. Since 2023, we became a member of European University Association.

Development Areas

- oil and gas engineering
- engineering mechanics
- robotics
- information technology
- petroleum power engineering
- petroleum ecology
- decarbonization
- «green» energy transition
- renewable energy sources

Collaboration interests

We are interested in collaboration in EU Programs, such as, Erasmus, HORIZON EUROPE. There are calls, which we are interested in:

Sustainable, secure and competitive energy supply (HORIZON-CL5-2024-D3-02):

- Market Uptake Measures of renewable energy systems
- DACCS and BECCS for CO2 removal/negative emissions
- CCU for the production of fuels

Efficient, sustainable and inclusive energy use (HORIZON-CL5-2024-D4-02):

- Industrialization of sustainable and circular deep renovation workflows
- BIM-based processes and digital twins for facilitating and optimizing circular energy renovation

MSCA Staff Exchanges 2024 (HORIZON-MSCA-2024-SE-01)

Reference projects

USAID's Energy Security Project (ESP)

- New Bachelor Program on Renewable Energy Engineering

ENPI CBC Programme HUSKROUA 2014-2020

- Regional Center for Training and Monitoring of the Environmental Impact of Electrical Installations – CRIMIGE

ROUA ENI CBC Programme 2014-2020

- Ro-Ua Trans-border Academic Development for Research and Innovation

ENPI CBC Programme HUSKROUA 2014-2020

- Valorisation of the historical and cultural heritage through the development and promotion of the Carpathian cultural route - HICART

Main achievements

The patent for utility model:

- Method of liquid fuel burning
- Device for restoration of bearing capacity of main gas pipelines
- Method of hydraulic jet perforation of well

The patent for invention:

- Device determination of coefficient of sliding friction
- Device for investigation of contact fatigue of materials surface
- Cyclone filter for cleaning gas or liquid flow
- Device for unscrewing pipes in well

Applied research:

- Development of technologies for cleaning the internal cavity of complex pipeline systems
- Development and manufacture of shell dampers, smartcentrators and cyclone filters for to implement innovative technologies for exploration and mining

We invite **university** for collaboration in the framework of research activities for the exchange of experience and joint development of new scientific directions and **business representatives** for joint development of innovative projects and implementation of promising initiatives in the field of research.
